- If you are registered to vote on Election Day, you do not need to bring anything with you to the polling place.
- If you are not registered to vote on Election Day, you must bring a form of ID with you to the polling place in order to vote.
  - Note: If you forget your ID, you can cast a “provisional ballot”. You may be asked to show your ID after the election in order to make sure your vote counts.

# WHAT TO EXPECT ON ELECTION DAY

## How do I mark my ballot?

- Each ballot will explain how to mark your choices.
- If you have any questions, you may ask for help from an election official.
- If you make a mistake, you may fold your ballot, give it to an election official and ask for a new ballot.

## Does my guardian have to come with me to the voting place to help me vote?

- Under the Help America Vote Act, you have the right to vote by yourself. Your guardian does not need to be with you when you vote.
- If you are told that you may not vote alone, contact Disability Rights Maine at 1.800.452.1948. You can also contact the Elections Division of the Secretary of State's Office at 207.624.7650.

## Can I bring my service animal with me to the polling place when I vote?

- Under the ADA, individuals with disabilities may bring their service animal with them to the polling place.
- A service animal is defined as a dog that is individually trained to do work or perform tasks that are directly related to the person's disability.

# ABSENTEE VOTING

## What is absentee voting and how does it work?

- Absentee voting allows you to cast your ballot without having to travel to your polling place.
- You must be a registered voter in order to vote by absentee ballot. Once you are registered, apply for an absentee ballot, fill out the ballot when it arrives in the mail, and mail or deliver the ballot to your town or city clerk.

## How do I get an absentee ballot?

- You can apply for an absentee ballot online, or by e-mail, mail or by telephone:
  - **Online:** You can request an absentee ballot online at <http://www.maine.gov/cgi-bin/online/AbsenteeBallot/index.pl>.
  - **By E-mail:** In some towns and cities, voters are allowed to ask for absentee ballots by e-mail. To find out if your town or city allows you to ask for an absentee ballot by e-mail, visit <http://www.maine.gov/cgi-bin/online/AbsenteeBallot/index.pl>.
  - **By Telephone:** You may call your town or city clerk to request a ballot and they will mail one to you.
  - **By Mail:** To ask for an absentee ballot by mail, you must fill out an absentee ballot application and mail it to your town or city clerk. You can get an absentee ballot application from your town or city clerk.

# MORE ABOUT ABSENTEE VOTING

## When can I apply for an absentee ballot and when must it be returned to my town or city clerk?

- You may apply for an absentee ballot as early as three months before Election Day. Absentee ballots must be returned to your town or city clerk by 8 p.m. on Election Day.
- For the November 2016 election, absentee ballots will be available beginning **Monday, August 8, 2016.**
  - Remember: You should ask for an absentee ballot early enough so that you have plenty of time to fill it out and return it to your town office or city hall before Election Day.

## Do I need to apply for an absentee ballot for each election?

- Yes, you must apply for an absentee ballot for each election in which you want to vote by absentee ballot.

## Can I vote by absentee ballot in-person somewhere?

- Yes! You can fill out an absentee ballot at your town clerk's office as soon as absentee ballots are available.

## OTHER WAYS TO VOTE ABSENTEE

### Is there a deadline to request an absentee ballot?

- For the 2016 General Election, the deadline to request an absentee ballot, including a ballot voted in-person with your town clerk, is **Thursday, November 3, 2016**.
- However, there is an exception to this deadline for people who have “special circumstances.”
  - **Special circumstances** include a physical disability, or an incapacity or illness that leaves you unable to leave home or a treatment facility.
- If you are in one of these ‘special circumstances’ and miss the absentee ballot deadline, you can fill out a Special Circumstances application and still get an absentee ballot. The application must be signed by the voter.
- You can get a Special Circumstances application from your town clerk or by calling the Secretary of State’s Office at 207.624.7650.

### Is there another way to receive an absentee ballot?

- You may make a written request for a “third person” (someone other than the voter or the voter's immediate family member) to obtain and hand-deliver an absentee ballot.
- You must designate, in a written request or application, the specific third person who will handle and deliver the ballot.
- Only this designated third person may handle the absentee ballot.
- Ballots cast in this way must be witnessed by either a notary public, a municipal clerk, a clerk of courts, or 2 other witnesses.
